- COMMUNAL DSTV DISH
* I live in a apartment and we are not allowed to install satellite receivers on our balconies. The building does have a communal DSTV Dish. Is it possible for me to receive Radio Islam?

ANSWER: Yes, it is possible for you to receive Radio Islam. You may apply to your Body Corporate to install a communal Radio Islam satellite dish. If this is not possible then a splitter device in your apartment will allow a DSTV decoder and a Radio Islam decoder to work simultaneously. Click on the decoder below to view our simple setting-instructions on how to tune into Radio Islam
